

We are in a pickle. No, not a pickle ball or a pickle jar. We are in a metaphorical pickle.

First, the bad news. The entire RABC Board is retiring at the end of this fiscal year and we currently have no candidates for the positions of President, VP, Secretary and Treasurer. Without a Board, there will be no RABC and therefore

- No Flexible Financial Management
- No RABC-Sponsored Fundraising
- No General Funds Grants
- No Scholarship
- No Back to School BBQ
- No Homecoming Week
- No After-Prom
- No Senior Breakfast
- No Concessions
- No School Store

You see what I mean. A real pickle.

Now for the good news, this is a great opportunity for a few passionate and hard-working leaders to take the reins and make RABC their own. And, there is more good news. Two of the current Board members stand ready to answer questions and help when requested.
