- Sonya working on getting reimbursement done
- About \$13k in RABC general fund
- Laura is doing taxes and should be finished this week

Fundraising Update

- Concessions Update
  - Concessions fall season is going really well. We have more students working this season than we have had in the past and it is awesome to see them having fun and doing the work to make money for their teams. Thank you to the coaches, reps and parents for encouraging more student involvement!
  - Many teams now have trained managers - if you plan to do concessions in the winter and do not have a manager in place, please start looking for a parent/adult volunteer to take this role - it is called a manager position which sounds like more than it is - but all it means is that when your team volunteers the manager is present and knows the processes for opening, running and closing the concession stand - it is not hard and really only ends up being a few evenings a

season. We will train any new managers before the winter season or if you have someone that wants to learn the ropes now, please have them contact us and they are welcome to come in on one of the fall concession dates as an extra set of hands.

- We do need to expand our Concessions team - we would love to get an extra person or two for this year and will definitely need a few for the 2024/25 season. If you're interested, we would love to hear from you. You can find our contact information on the [RABC website](#).
- Raptor Trivia Bowl - tickets/tables; silent auction items; volunteers!!!
  - Sunday Oct 1 at Shupe, planning for 100-150 people and [tickets available](#)
  - Baskets due to Kate's house by tomorrow, let us know if that doesn't work
  - [Volunteers are still needed](#)
    - Athletes are encouraged to volunteer
- School Store
  - About \$6000 worth of sales so far
  - Let us know if you have an ideas

#### Distributions - Explanation of Process & Timeline

- RABC has funds to distribute from all the fundraising (school store, trivia bowl, memberships, dining 4 dollar\$) to coach requests twice per year Dec 4 and April 1
- [Applications](#) are due November 15, and voting for approval will take place at the December 4th meeting
- Previous distributions include money for golf bags, baseball batting cage nets, basketball goggles, dance choreography, football helmets and more
- Each team gets 1 vote to approve applications, must attend the December 4th meeting

#### Programs

- Teacher Appreciation Buttons have been distributed, send us your photos!

In-N-Out fundraiser - SCHS gets 75% of ticket sales. We want to sell 800 meals. Invite everyone you know and have them [buy tickets by Sept 27!](#)

- Possible article in the Longmont Leader
- Funds are split with RABC, SCEF and SCOPA and used for things like teacher conference meals, After Prom and more
