Treasurer's Report - Amy Kim and Heather Bennett

- We currently have 53 Partnerships for the 2019-2020 school year. Our numbers for partnerships are low so parent reps please make sure your parents know about the RABC and ask them to become partners.
- In order to pay out, we need the disbursement form filled out and submitted.
- Communication is key. If you have not been paid, reach out to Heather Bennett or Amy Kim and they can help resolve the issue.
- We have new deposit slips that you need to fill out before you turn in your money, the office has some if you need them.
- Motion to vote on the budget proposed at our last meeting. Everyone voted not just members. All in favor, no votes against. Proposed budget passed.
- There were no questions about the proposed budget.

- Weight room makeover hopefully will happen in the spring. Moving the weight room to where the wrestling room is and getting new equipment that will benefit all sports.
- The data came in from testing and Mr. Finnestead was very impressed with the outcome.
- SC numbers are down we have 1350 students not 1400 that they were hoping to have. They had to eliminate study hall and office aids due to the low numbers.
- Mr. Finnestead wants to thank the RABC for the back to school BBQ. This will be a new tradition at SC.
- Working with the city of Longmont to get a new route for the homecoming parade.
- New communication for all the sports teams. All the coaches will now be communicating through Schoology this is safer for the students.

General Fund Request

- Get your fund request turned in before our next meeting on 9/16. You have to take it to Patrick DeCamillis to approve them.

Letter of Intent

- They are due before the next meeting on 9/16 and make sure to have your volunteers.

Concessions - Kaydene Hubert

Alison is thinking of helping with concessions. We need more people to help out with concessions. If nobody steps up to do concessions by September 16th we will no longer have concessions because Kaydene can not do it anymore. We do not want to lose concessions because it brings in a lot of money. Without concessions we won't be able to do fund request, homecoming activities or after prom. When we have concessions at football games it brings in \$2000.00-\$2500.00. So please reach out to Kaydene if you are interested in helping out she will train you.

School Store - Paula Nelsen

The school store had great sales from the picture/locker day. Next year we hope to have the table in the hallway so maybe we will get more traffic.
