### Treasurer's Report - Amy Kim and Heather Bennett

- We currently have 105 Partnerships for the 2019-2020 school year.
- School store is doing very well so far!
- We are over budget on discretionary because of the John Gordon event but the school is going to reimburse us \$2500.00.

### President Report - Kaydene Hubert

- Power of Positive Leadership was an awesome event. Thank you to all the coaches, teachers and students that attended. Please give Kaydene feedback if you have any.
- Team spirit wear **MUST** have the programs logo on it. We have a school store that has the generic SC logo. We don't want to compete with the school store.
- Letter of intent was due on Monday night. You must have a volunteer for every committee because if you don't then it falls on the RABC board and we can't do everything.
- Dancing with the Silver Creek stars committee needs to get going. It will be here before we know it.
- Sundance Wicks is coming on October 7 at 6:30 in the big gym. Put this on your calendar and remind your kids they don't want to miss it. It should only last about an hour. The board will provide dinner for Sundance and 2 captains from your team. Kaydene will send out more information.

### Old Business

- Parent reps can continue to email the parents. Keep doing things as usual the kids can use schoolology.

### **Sports update- Parent Reps**

- Cross Country has the Desert twilight in Arizona coming up, it's a big meet. They are taking 6 Varsity boys and 7 older Varsity girls and 7 Freshman girls.
- Tennis is off to a great start they are 2-2. They took 6th place at the Greeley West tournament. They lost to Niwot but took more games this year. Hoping to get 1st at regionals.
- Golf they have been winning so far.
- Soccer is 2-1-2. Both tie games went into double overtime.
- Volleyball took 2nd place at the Raptor invite.
- Softball is doing very well. They have a lot of strong freshman.
- Football is off to a great start C team is 2/0, JV 1-1, V 2-0. The football team has 4 girls that play on the team!

### **General Fund Request**

We had fund request from football and baseball.

- Football was asking for \$1500.00 to go towards the new endzone camera they bought. With the endzone camera they can get a better angle and it's a great coaching tool. Film is very important to the coaches and the players. The total cost of the camera was \$5200.00 he is just asking for \$1500.00 to help offset the cost.
- Baseball needs a new rolling cage and the total cost is \$5000.00. The old cage was purchased 20 years ago so they are hoping that if they get a new one it will last just as long. The rolling cage they have now does not operate correctly so it is a safety concern.
- Kaydene proposed that we split the 3300.00 50/50 for both teams or 2500.00 for baseball and 800 for football.
- The football coach said he could table his fund request till November so baseball could have the 3300.00 since football had already purchased the camera.
- Motion to vote on giving baseball the \$3300.00. All partners voted. 22 partners were in favor and 3 not in favor. The motion passed .
