Athletic Report- Patrick DeCamillis

Mr. DeCamillis is trying to wrap his head around everything that is going on, he lost his son's baseball season as well as school. Weight room update they are finalizing bids because of the amount. We are getting lights at the football and soccer fields. The school board is putting in a new district pool at Silver Creek!! They will start in October and the pool should be done by next fall. The pool will have 8 lanes and a diving well. Adams and Jefco have shut everything down for the summer but Silver Creek is not at that point yet. UNC has cancelled everything until August 1st. He doesn't know what it is going to look like, he hopes we can get something going this summer. He is not sure if the kids will go to camps this summer because a lot of the colleges are closed till august 1st so it will be up to the colleges.

President Report- Kaydene Hubert

Kaydene only has two more years left at Silver Creek and she is stepping down as the president. She wants to share her knowledge so she really hopes that someone steps up. If you know anyone that may be interested in the president position please let us know. We are also looking for a co-treasurer. We will have a meeting next month so we can vote in the new people. You can have a co-president but in her opinion it's better to have just one person. If you are interested in the positions please let Kaydene know ASAP. Kaydene talked to Mr. Finnestead and he said after prom is cancelled but maybe we can do something special for the seniors, maybe a BBQ after the walk through. RABC website will have a special tribute to the seniors so go check it out. Parents encourage your seniors to apply for the RABC scholarship. It is \$1,000.00. We want to thank everyone that donated lights and thank you to Carrie Adams

for helping out. Kaydene will turn on the lights every Friday come out and see them. This is a gift from us to your kids. We miss them.

School Store-

Not doing much because the merchandise is in the school. Paula could go and pick it up but nobody is ordering. She is looking for someone to take over the school store. Next year is Paula's last year at Silver Creek. If you are interested please let her know.

Concessions

Alison did an amazing job with concessions along with Kassia, Carisa and Sue.

Homecoming- October 2, 2020

We need to start planning for homecoming. We need to get a committee going because this will be a huge celebration. Patrick said we are going to need someone strong to bring everyone together for homecoming. We need someone to lead us as well as Kaydene has.
