- General Funds Requests will be entertained at the RABC meeting on 11/15
- Membership continues to be a concern. It was suggested to send a membership renewal reminder.
- Members have inquired about athletic streaming and SCHS leadership would like to collaborate with RABC volunteers on a feasibility study.
- We continue to need volunteers for concessions. If you are interested please email Kaydene.
- RABC meetings will run with a timed agenda. Speakers will be limited to the times posted on the agenda, receive notifications during their presentations, and given a 1-minute allocation for closure.

Fundraisers- Joyce

- Joyce is working on the apple fundraiser again and asked those present for recommendations on apple vendor connections.
- Joyce also spoke of RABC plans to host Dancing with the Stars in Spring 2022, Wreath sales, the meat sale in partnership with the Buckner Farm, a progressive or Farm 2 table

dinner, and a possible eSports Tournament to involve students in our efforts. Joyce stressed that our events align with purchases that people make so that we don't ask them to do something extra.

- Volunteers are welcome to help plan our fundraising efforts for the remainder of the year.
- Wendy Kering is obtaining her raffle license, and there was discussion of obtaining a bingo license, which is a different licence. Bingo can provide substantial funds to RABC, however, it is a large staffing commitment and will take many volunteers for success.
