Athletic Director's Report: Pat DeCamillis

- Winter sports have concluded. Great job to the talented, hard-working athletes!
- Coaches update: Offensive Line coach has been hired, Girl's Volleyball coach interviews are taking place, and getting ready for the Dance coach interviews
- The varsity baseball field will be redone in June
- Upcoming Signing day will recognize girls soccer and boys basketball.
- The Aquatic Center will host its first tri-meet
- The student senate funded the gym's sound system upgrade, and it is ready to be installed.

Treasurer's report

- Sonya has distributed team statements that include concessions through January 11 and proceeds from team baskets
- Will explore if there is a better definition/direction for the school (revtrack) team accounts versus RABC accounts

Fundraising Update

- Concessions: SCHS will not host home games/events this spring due to the revamping of fields, so concessions may be "mobile" versions coordinated by teams. Also will explore having indoor concessions open after school for snacks.
- Gala: The Inaugural Raptor Trivia Night raised about \$10,000. Overall good event. Feedback was discussed

Programs

- Teacher/Staff appreciation buttons were not distributed to the winter sports but will be available in the office for students to pick up; buttons will be distributed to spring sports

Looking Ahead

- After Prom: a lot of discussion about the activities and timing of after prom took place. Becca Johnson is coordinating. Volunteer planning sign-ups will be coming soon.
- A significant number of volunteers will be needed for graduation, including concessions
- Senior breakfast will begin planning soon
- Homecoming 2023 will be September 5-9, 2023, with the dance on September 9th.

Adjourn adjourned at 7:55 pm
